**BOARD OF MEDICAL LICENSURE AND
DISCIPLINE**

No. C00-035

**In the matter of:
David B. Stoll, M.D.**

**Consent Order
AMENDMENT**

The Board of Medical Licensure and Discipline received a request by the
Petitioner to amend the Consent Order that he entered with the Board on August 9, 2000.
Petitioner seeks permission for him to apply for a Rhode Island Controlled Substances
Registration and a Federal Drug Enforcement Administration number. The Board
reviewed his petition along with the recommendations of the Physician's Health
Committee of the Rhode Island Medical Society and has approved this request. All other
aspects of the August 9, 2000 Consent Order remain in full force and effect.

Findings of Facts

1. The Physicians Health Committee has monitored the Respondent for a period of one year. The Physician's Health Committee has reported to the Board that the Respondent has been in complete compliance with the terms set by the committee and the Board of Medical Licensure and Discipline.
2. Respondent has demonstrated an understanding of his responsibilities regarding compliance with the terms of the Consent Order and has taken a pro-active role in treatment and remediation of his disease.

The parties agree as follows:

- (1) This Consent Order shall become part of the public record of this proceeding once it is accepted by all parties and by the Board.
- (2) Failure to comply with this Consent Order, when signed and accepted, shall subject the Respondent to further disciplinary action.

David B. Stoll, M.D.
